# WHAT IS CALLED?

**Pastor Bret Allen**  
NCN District Superintendent

Empowering the next generation is not just a part of my portfolio, it is who I am. As a father, youth pastor, District Youth Director, Senior Pastor and now District Superintendent I have mentored the next generation for several decades and am proud of the lasting fruit that has remained. Char Blair served as a youth pastor during my tenure as District Youth Director. I had the privilege of mentoring her as a developing leader.

In 2005, I empowered her to launch a ministry called UNSPOKEN out of the NCN Student Ministries office. In 2018, I asked her to step in as the Director of Church Ministries and in 2021 I tapped her to lead a generation of students to embrace their call. CALLED is not a program but a relationship between the District and young people serving in their local Assemblies of God Church.

There is no replacement for Senior pastors, and youth pastors, in this process. Together we foster a generation and empower them to pursue their call. Together we pass the baton to the next generation. Run well!

**Rev. Char Blair**  
Church Ministries Director

## CEO: CALLED. EQUIPPED. ORIGINAL.

As a young boy, Samuel heard the audible voice of God but didn't know it was Him. Even though students may be familiar with the church they may not be familiar with the voice of God and His call.

My heart is to serve students who have heard God's call and want to embrace the dream He's placed inside their heart. CALLED is here to equipping students through trainings, resources, networking, community, and ministry opportunities. I want to see students maintain their originality from the house in which they were raised. My goal is NOT to take them from their home church but rather to equip them to serve where they are planted.

# WHY?

We must  
pass the  
baton to  
the next  
generation

while  
staying on  
the field to  
cheer them  
on.

# HOW DOES CALLED WORK?

Equipping: Access to online training, leadership cohort, and mentoring.

Encouraging: Access to a network of like-minded students and leaders who are also pursuing God's dream. A revival tribe who will be our apostles, prophets, evangelists, shepherds and teachers.

Empowering: Ministry opportunities to serve within the District at student ministries events, missions trips, and called camp. Students will receive a commissioning certificate that renews annually and will be invited to a commissioning ceremony at ythcon.
